A BRIEF MESSAGE TO ALL PROSPECTIVE BUYERS:

This consignment of 45 Bulls and 12 Females from 26 of the leading herds of this great Shorthorn stronghold — The Inland Empire — will be a joy for you to see and have the opportunity to purchase.

It has been said by a very successful commercial cattleman of our area that if one buys a bull for the price of one of his steers, he will "lose ground" in his breeding program; if he pays for his bull the price of two of his steers, he can "hold his own" or gain slightly; if he wishes to improve, let three steers buy his new bull. This group of bulls should be in these last two categories and may you appreciate the high quality you are being offered in this sale.

The criticism that we have not had sufficiently high quality females in our spring sales has possibly been justly made but this has been remedied for this sale. The top females in this sale have the "stuff" to go into any herd in America and be a credit in this herd.

Remember that the Champion Bull of the horned show and the Champion Female of the polled show in the 1950 International Livestock Exposition held in Chicago came from the breeding of two Inland Empire herds.

Feel free to inquire further from me or from these consignors and may we see you on show and sale day, March 7th and 8th, with a swell banquet thrown in Wednesday night.

KENNETH KILLINGSWORTH
Sale Manager.
